NOTICE TO PROPERTY OWNERS

A new law effective April 1, 1978 imposes a penalty for failure to file a fully completed inventory form.

"RSA 74:7-a Penalty for Failure to File. Any person who fails to file a fully completed inventory form on or before April 15, unless granted an extension under RSA 74:8, shall pay a penalty of one percent of the property tax for which he is liable. In no case, however, shall the penalty be less than \$10 or more than \$50. Any person who fails to file an inventory form and who becomes liable to pay the penalty specified in this section shall lose his right to appeal any matter pertaining to the property tax for which he is liable or exemptions to which he may be entitled. This penalty has all the force of taxation and shall be treated as incident to the tax."

Inventory blanks are mailed before March 25 as required under RSA 74:5, but if for any reason you fail to receive one, you should contact the Selectmen to obtain one and complete it as required above.

INTRODUCTION

The leach field system at the Fire Station and Library is now complete. Personnel from the Highway Department using town highway equipment completed the job during the summer.

A fire escape from the second floor of the East Sullivan Community Hall is also complete. This was one of the repairs that had been mandated by the State Fire Marshall in order that this building remain open to the public. Emergency lights have been installed in the hall and the debris at the rear of the stage area has been removed. The Town must continue to make progress in meeting all necessary repairs for the building to continue to house department and public meetings.

A Community Calendar and Facilities List are now a part of this report. This is to inform new residents of some of the happenings of the town and to remind the natives of some of the things their neighbors are interested in. If you or your organization is missing from the list, please contact one of the Selectmen or Kathy Allen with the relevant information. You will then become part of the list that will be posted periodically about town and in the next report.

The State of New Hampshire Highway Division has informed the Selectmen that all of the preliminary work on the new bridge is done and the actual heavy equipment type work should begin as soon as weather permits. The Town had advanced a portion of its share of the funding, the remainder to be paid upon completion of the work. This bridge crosses Otter Brook and connects Cross and Valley Roads.

The Selectmen are pleased to announce the appointment of Donald Goodnow as legal council for the town. Attorney Goodnow graduated from Suffolk Law School in Boston and is practicing law with the firm of Kennedy and Berkson in Keene. He is a former resident of Sullivan and is the son of Alma and Leslie Goodnow of Valley Road in East Sullivan.

Stillman D. Rogers was formerly our council and in the spring of 1978, gave up his private practice to accept the appointment of Clerk of the Superior Court.

Even with our new, expanded bookkeeping system, and the various breakdowns of accounts in this report, some accounts still need special attention. We would like to discuss just one of these accounts here.

The City of Keene is responsible for maintaining emergency ambulance service to the Town. For this service, the Town pays a retainer fee. This fee must be raised and appropriated at Town Meeting. Under this agreement, the Town is ultimately responsible for underwriting all costs not borne by persons who need or have requested ambulance service. The City of Keene bills the Town on a quarterly basis for a portion of the retainer fee plus any unreimbursed calls. All funds received plus any funds not credited the previous quarter also appear on the bill. The Town then pays the full amount of the bill. Keene handles all accounts receivable on behalf of the Town. They prepare and send the billing. They take whatever steps are necessary to collect outstanding receivables on behalf of the Town of Sullivan and they incur these expenses as part of the retainer fee. So far, the Town has had to stand only the charges for those people who have refused ambulance service after the ambulance has arrived at the scene.

In years past, the budget item under Health Department including hospitals and ambulance has contained retainer-type fees for ambulance service and Cheshire Hospital. This year the Cheshire Hospital did not request such a fee. Also under this heading, the Monadnock Family and Mental Health Service is seeking \$234.00 and the North Cheshire County Home Health Service \$413.00.

State Highway Aid is available to Sullivan for 1979 as follows: Town Road Aid \$521.02 that the Town must raise and appropriate and the State will contribute \$3473.46. Duncan Fund - \$5,459.56. Highway subsidy will be \$6,015.99 plus additional Highway Subsidy of \$3,900.50.

THE STATE OF NEW HAMPSHIRE

TOWN OF SULLIVAN
1979 WARRANT

To the inhabitants of the Town of Sullivan in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at East Sullivan Community Hall in said East Sullivan on Tuesday, the 13th day of March, next at one of the clock in the afternoon. Polls not to close before seven of the clock in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

You are hereby notified to meet at the East Sullivan Community Hall in said East Sullivan on Friday, the sixteenth day of March, next at 6:30 of the clock in the afternoon, to act upon the following subjects:

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise and appropriate a total of \$38,540.44 for the maintenance of highways and bridges and for construction of same for the ensuing year. \$12,625.44 to be raised by taxes, \$9,915.00 to come from highway subsidy and additional highway subsidy and \$16,000.00 to be withdrawn from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

4. To see if the Town will vote to raise and appropriate the sum of \$521.00 for Town Road Aid in order to receive the full State's share of \$3,473.46.

5. To see if the Town will vote to raise and appropriate the sum of \$3,396.00 to provide and maintain public library service and authorize the Library Trustees to receive and use supplemental funds otherwise provided.

6. To see if the Town will vote to raise and appropriate the sum of \$900.00 to be used to complete the outside (siding) portion of the addition to the library building.

7. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for the operation of the Fire Department for fire protection and purchase and maintenance of equipment and building for the Fire Department.

8. To see if the Town will vote to raise and appropriate the sum of \$4,250.00 for the operation of the Police Department and the purchase and maintenance of equipment for the Police Department.

9. To see if the Town will vote to raise and appropriate the sum of \$700.00 for the maintenance of the Town Cemeteries.

10. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 and to establish a Capital Reserve fund for the purpose of revaluation of the Town and place therein in the amount of \$1,000.00 and to designate the Selectmen as agents of the Town authorized to make withdrawals from said fund to carry out the purpose for which it was established or take any action relating thereto.

11. To see if the Town will vote to change the purpose of the existing Capital Reserve Fund from highway equipment to be used for the purchase of a highway garage or take any action relating thereto.

12. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be added to the existing Capital Reserve Fund for the purpose of purchasing highway equipment under the provisions established for this fund or take any action relating thereto.

13. To see if the Town will vote to authorize the Selectmen to appoint a Building Committee to study estimates of costs, needs of the Highway Department and methods of financing with respect to the construction of a highway garage-type building. The Committee to be made up of five (5) persons, one (1) Selectman, Road Agent and three (3) persons appointed by the Selectmen.

14. To see if the Town will vote to elect the Road Agent for a period of three (3) years rather than the one (1) year term now in effect or take any action relating thereto.

15. To see if the Town will approve the agreement that the Selectmen and the Trustees of the United Congregational Church of Sullivan reach in the exchange of lands. And if no agreement has been reached at the time of Town Meeting, request that the Town Meeting be adjourned to such time as Selectmen feel agreement will be reached.

16. To authorize the Selectmen to borrow money in anticipation of taxes.

17. To see if the Town will vote to provide workers' compensation coverage for eligible employees by participating in the New Hampshire Municipal Association Self-Funded Workers' Compensation Program commencing 1 April 1979, and to authorize the Selectmen to take such action in furtherance of this vote as may be necessary.

18. To see if the Town will vote to discontinue the so called "Old Apple Hill Road" beginning at Route 9 and ending in a dead end intersection with the present Apple Hill Road.

19. To see if the Town will vote to discontinue the road that leads from the Hubbard Road to the so-called "Old Hubbard Place", presently owned by David Clark.

20. To see if the Town will authorize the Selectmen to apply for and to accept, on behalf of the Town, any or all gifts, grants, or other funds which may now or hereafter be forthcoming over and above the total appropriation voted by the Town.

21. To see if the Town will vote to rescind the Municipal Budget Law as enacted in 1978.

22. To see if the Town will vote to accept the reports of Agents, Auditor and Committees, as printed in the Town Report.

23. To transact any other business which may legally come before said meeting and to listen to opinions of a purely advisory nature in regard to the conduct of Town affairs for the ensuing year.

Given under our hands and seal, this twenty-fourth day of February, in the year of our Lord nineteen hundred and seventy-nine.

REPORT OF THE BUDGET COMMITTEE

The function of the Budget Committee is to develop a fair and workable budget for the town and to monitor expenditures to insure that money is being spent for the purposes it was appropriated. With the submission of the 1979 Budget, we completed our first year as a duly constituted Budget Committee. We would like to briefly outline our goals and accomplishments:

Our first goal was to establish an accounting system which would enable us to review exactly what was being spent by each department on a monthly basis. By law, a budget committee cannot exercise any control over these expenses as long as they don't exceed the total amount appropriated at Town Meeting; however, it can assist the department heads and selectmen in planning and budgeting their expenses over the 12 month period.

We are improving on the system this year by requesting that department heads report directly to the Budget Committee what they spend each month. This will eliminate the confusion that results when expenses that are incurred in one month aren't actually paid for until a later date.

By adopting the principle of zero base budgeting we now require that every budget request be specific as to what all monies will be spent for. This is how we prepared the 1979 budget, and now, by monitoring expenses, the selectmen will be more able to control spending that the townspeople have not approved.

By comparing and charting the past four years expenses we have been able to see where expenses are in line and where they are getting out of hand; also whether the increases are in areas over which we can exert any control.

All this leads up to an attempt to #1. save money by cutting back where appropriate, and #2. target those areas for which some long range financial planning is required (replacement of equipment, new facilities, etc.).

There are six elected members on the Budget Committee, and two offices are up for election every year for three year terms. We urge you to run and get involved.

September: Laurent Roberts won a special election for a seat on the Sullivan Board of Selectmen. The election was held to fill a vacancy created by the resignation of Dick Cummings, who stepped out of the office because of business demands on his time. Some 116 voters turned out for the Primary which was 38.4%, highest in Cheshire County.

FIRE DEPARTMENT REPORT

This year past, the Sullivan Fire Department has joined with fire departments and emergency personnel from surrounding towns for several training programs. We joined with Nelson, Gilsum, Keene and Swanzey for a most successful Emergency Medical Technician Program series. Sullivan was the guest of the Gilsum Fire Department for a movie and demonstration on freeing accident victims from an automobile. A training course using Scott Air Packs is now underway with Gilsum, Nelson and Keene. More training is planned through out the coming year.

Anyone interested in joining the Fire Department and participating in any of the training sessions is welcome.

We would like to add one thing more. The crime of arson is growing, and happens every day somewhere in the country. We are limited as to what we can do to prevent the crime except to report to the police or fire department any happenings or anything that seems suspicious. This is how you can help.

Walter Roberts, Fire Chief

LIBRARIAN'S REPORT

During the summer of the past year, the Sullivan Public Library sponsored a reading program for children. Two groups were formed, one for ages 4 to 7 years, and one for ages 8 to 12 years old. The top readers were awarded a red ribbon, Joanne Labadie in the older age group, and Jeffrey Fitzpatrick in the younger. In addition, each participant received a certificate of achievement. More reading programs are planned for 1979.

The Library has received book donations from several sources including the McMartin, Parker and Henry families, and Mrs. Richard Sweet. Other books added to the Library include town histories of Dublin, Rindge and Marlborough, as well as approximately 1,000 new fiction and non-fiction books.

Patrons of the Sullivan Public Library borrowed over 1800 books this year, including books from the State Library.

In January 1979, we moved to the new Library building. Our hours have been expanded to include Saturday morning 10:00 a.m. to 2:00 p.m. and continue to be open on Wednesday afternoon, as usual, 3:00 p.m. to 7:00 p.m.

An open house and dedication of the new facility will be held and is planned for spring.

Katherine J. Pearl, Librarian

June: First and second grade students of the elementary school invited Sullivan Library Trustees to a "Thank-you Party" in appreciation for letting them hold classes in the new library this past school year while their school was being renovated and expanded. Two shrubs, geraniums and individually made booklets were presented.

HIGHWAY DEPARTMENT REPORT

Robert Bourassa resigned as Road Agent on 4 November and two weeks later I took over the job. At that time, our stock pile of sand and salt was not complete, but was completed and under cover before snow. The equipment was said to be ready to roll in three hours for the oncoming snow and cold weather.

I worked making a few improvements on the equipment that I felt were needed. Before much could really be done, the snow and ice were realities and a great share of time was devoted to taking care of our roads. In between storms was the usual repair and maintenance that can be expected with equipment the age of ours.

Unfortunately, all our repairs were not minor. Our four wheel drive plow truck had valve trouble. After repairing this, we plowed one storm and were finishing another, when the crank shaft broke. After disassembling the engine to replace the shaft, we found that rebuilding the engine was necessary. It had been rebuilt in 1972 and shouldn't have needed this second job now. It is my opinion that part of this situation is due to too many operators and not enough maintenance.

We have had a rough time with some of the storms this year. Had more time been available earlier in the year, there is equipment that could have been put in working order. That equipment could have worked on these problem storms while our major plow truck was down. This is something I plan to correct, should I be elected to the job for another period.

In the past Town Reports, all the former Road Agents speak of the age of our equipment and our badly needed shop. However, little major improvement in these areas have been made in years. I feel very strongly about this, and want all to realize that these changes are inevitable in the very near future.

In the meantime, I plan to do the best I can with the equipment and facilities in the best interests of the Town.

Floyd A. Nims, Road Agent

October: Ribbon-cutting ceremonies at the elementary school marked the official opening of a newly-built addition there which includes: two new classrooms, kitchen, storage space and resource room.

MONADNOCK REGION SCHOOL
DISTRICT BOARD REPORT

In 1977 the residents of the Monadnock Regional School District discovered the intrinsic element of a successful regional school district, the willingness to cooperate with other towns in the district to pass badly needed bond issues; and in September of 1978, the fruits of this cooperation were evident in Sullivan as some 60 boys and girls began to enjoy the benefits of being educated in a greatly expanded and enhanced facility.

The dedication ceremony in October featured a ribbon-cutting by Martha Bice, President of the Sullivan P.T.O. and Polly King, teacher for the third and fourth grades, and was attended by many in the town including the town's historian Carleton Nims. Although several unanticipated problems were identified after the school year began, such as the unsatisfactory properties of the water and the poor condition of the underground oil-storage tank, steps have been taken to remedy these deficiencies and should be completed as soon as the ground thaws and grading can be completed.

The continuing increases in the operating budget each year are a concern to me as I'm sure they are to you, but the pace of inflation relentlessly pressures such major accounts as salaries, energy and pupil transportation. Hopefully, a growing awareness of the evils of inflation at the national level will afford some relief in the coming years.

The annual district meeting at Monadnock Regional High School will be held on Saturday, March 17, and you will be asked at this meeting to vot on a bond issue to enable an addition to be built at the Mt. Caesar School in Swanzey as well as a wing for junior high school students at the high school itself. Mt. Caesar is currently facing many of the same problems that plagued the northern schools prior to this year, and the junior high wing has been needed since the high school reached its capacity some 12 years ago. This bond issue will be timed to commence when the original high school bond issue terminates, and this condition along with the 20-year feature of the issue will make the annual cost very low in relation to the educational benefits to be realized.

Finally, I am happy to report that the transfer of James Shuffleton from Cutler to replace Jon Gemmell and the promotion of David Bell from Assistant Principal of the Swanzey schools to Principal of the northern schools have been very fortunate events for the students at Sullivan School.

David B. Bradley
Representative
Monadnock Regional School District

Total Miles: 6,791		
Total Hours: 617		
* Convictions		

In addition to handling calls, all officers have attended Part-Time Police Officers Training and are now attending Part-Time Officers Training at Keene State College.

We, again this year, feel that public relations are good. Both with the Towns people and the various departments that the Sullivan Police Department comes in contact with.

During the past year, many people have commented that they hated to call for petty things that they have seen happen or to make frequent calls to the department to complain about anything, as they feel that they are being a nuisance. We want you to feel free to call ANYTIME as we would rather answer ten calls for nothing than to have one crime committed and not be called. Perhaps if we were called, that one call will be something important and we would be able to stop the crime in progress or at least get there soon enough to obtain evidence.

Thank you for your cooperation in the past year.

Karl Wheeler, Constable

REPORT OF THE SULLIVAN PLANNING BOARD

The Sullivan Planning Board has held two meetings each month. The first Wednesday of each month for regular business and the third Wednesday for a work session. All meetings open at 7:30 p.m.

The Board has been working very diligently with Southwestern New Hampshire Regional Planning Commission to put together a workable Master Plan for the voters to adopt for Sullivan. Preliminary reports were compiled on economic environment, traffic and transportation, recreation and open space, housing, land use, community facilities and utilities and population, as well as an analysis of government expenditures. The Master Plan is being drawn up using the data from the preliminary studies, and from input from residents of the Town. Since July, the second meeting of each month has been devoted to working on the Master Plan. The Master Plan will not be a hard and fast law, but instead will be a guideline for the Town's goals as well as its future growth and development. It will be adjusted and changed periodically as the Town's needs change.

A five-part legal seminar was held this year, and one member from the Board attended each of these meetings. The seminars were entitled: "Planning Boards and Planning, Zoning, The Land Use Plan and Subdivision, Roads, Growth Control Mechanisms, and Police Powers of Communities".

The following subdivisions proposed were approved in 1978:

<u>Subdivision</u>	<u>Location</u>	<u>No. of Lots</u>
William R. & Carolyn J.		
Scruton	Jenkins Lane	2
Tri-Town Realty	Boulder Road	2
Kristine M. Rosenthal	Rt. 9 & Heights Lane	2

The Board recognizes the fact that to function in the best interest of the Town, it must hear from all residents who have ideas and suggestions. Therefore, the Board invites any interested resident to attend Planning Board meetings and express their thoughts and ideas.
